

Dodo Juice Supernatural Infinity Paint Sealant Kit 30ml produced by Dodo Juice

Nanomaterial description

1. Material source or producer: Not reported
2. Manufacturing process: Not reported
3. Appearance: Not reported
4. Chemical composition: SiO₂
5. Physical form/shape: Not reported
6. Purity: Not reported
7. Size distribution: Not reported
8. Solubility: Not reported
9. State of aggregation or agglomeration: Not reported
10. CAS number (if applicable): Not reported

Product description

Sealant. Although the nanomaterial used in not reported, it is assumed that the nanoparticles are suspended in the liquid. Nanoparticles are assumed to become airborne when sprayed.

Applications

APPENDIX 1: NanoRiskCat Template

Exposure potential for professional end-users

Given the nature of the product and the location of the nanoelement, exposure for the professional end-users is to be expected.

Hence we concluded that the overall *Exposure potential for professional end-users is* 

Consumer exposure potential

Given the nature of the product and the location of the nanoelement, consumer exposure is to be expected.

Hence we concluded that the overall *Exposure potential for consumers is* 

Environmental exposure potential

Given the nature of the product and the location of the nanoelement, environmental exposure is to be expected. The main outlets to the environment are expected after use either directly into the water recipients and/or indirectly via the Sewage Treatment Plants into water recipient and soil.

Hence we concluded that the overall *Environmental exposure potential is*
